

*Newsletter: Summer Term 2020 Newsletter*

Dear Parents & students,

Firstly I hope everyone is well and safe in these strange times! Our Spring term has been amazing and everyone has worked incredibly hard preparing for the show. Unfortunately Covid-19 has put a spanner in the works for the next term as it has with everything else, changes to the Summer term are listed below. Should things suddenly change and we are allowed to resume with face to face classes I will switch to these as soon as possible.

Summer Term 2020

-This term will be online via Zoom There will be a link for each class emailed out to you which is reusable the whole term.

-Please see attached timetable which is new for online classes. Please check thoroughly as there are lots of changes, let me know asap if a class does not suit. I have tried to bear in mind that everyone is doing these from home so reducing lateness into the evening. Baby ballet are welcome to do either the Monday 4pm session or the Friday 10am session whichever suits best.

-Term dates are slightly different 20<sup>th</sup> April- 4<sup>th</sup> of July (10 weeks) These will be reviewed at May Half term in case there are any updates as to when we can return to class.

-The private school Instagram 'nch\_sbs\_danceonline' will continue to provide you with additional classes and activities through the summer term free of charge to all school students alongside their zoom classes.

-Sadly the show date will no longer be at the Gordon Craig on the 13<sup>th</sup> & 14<sup>th</sup> of June. The theatre have had to postpone all their show dates understandably. My plan is to choose the nearest date available once we are back, and I will be checking other theatres also in case they have one sooner. I will keep you in the loop with this one but I'm sure everyone will be looking forward to a celebration of all we have been working on!

-Costume payments should now be settled; the show will still take place and so the costumes will still be required.

-As per my previous email, all students invoicing will be reduced by 25% for the summer term. Pay weekly classes will be added to invoices as I cannot monitor the payments each week, this does however mean you will receive the discount off these classes too.
